Coordinator Spotlight

Three Things about Tammi Teeters-McDade, C-TAGME

Program Coordinator

Emory University – Atlanta, GA

Tammi will be our incoming president this year and the coordinators may like to know a little about her. She has one of the largest residency programs, she handles her program and being on the APCR Board with such ease and we know she is under a lot of stress preparing the program for the APCR this year. I think she is the ultimate in multi-tasking and a very nice person to work with as well. Nominated by Maryellen Hobler

Mama's Applesauce Cake

Submitted by: Julia Burks
Northwestern University, Chicago

3/4 C. shortening	2 C. granulated sugar
2 eggs	3 C. sifted flour minus 2 T.
1 t. baking powder	2 t. baking soda
1/2 t. salt	1/2 t. cloves
1 t. nutmeg	2 t. cinnamon
2 C. applesauce	1 cup raisins
1 1/2 C. chopped dates	2 C. chopped pecans

Preheat oven to 350° F.

In mixing bowl, cream shortening and sugar. Beat in eggs.

In another bowl, sift together flour, baking powder, baking soda, salt, cloves, nutmeg and cinnamon; add to creamed mixture alternately with applesauce, beating after each addition. (Depending upon the moistness of the applesauce used, you may wish to add 1/4 to 1/2 cup milk if the batter seems a little stiff.) Stir in raisins, dates and pecans. Bake in greased and floured 10-inch tube pan for 1 1/2 hours or until cake tests done.

Delicious as is, or serve with ice cream or sauce. Or glaze lightly if desired.

New Arrival!

Amy Richgels from University of Wisconsin Hospital welcomed baby Dominic Anthony Romandine on December 31, 2010. He weighed 7 lbs, 5 oz and was 18 1/2 inches long.

Amy said the whole family is making the trek to Boston, so hopefully he'll get to meet some APCR members!
